Hi Everyone,

Overleaf is the diary for the month of **September**.

Sundays

There will be one more informal altogether session for the children and young people on Sunday 1st September and then from the 8th the usual Kings Kids and Engage activities will resume.

We are joined on the 15th by Hannah McBain our BMS link in North Africa who will speak in our morning service, and then we will have a Fellowship Lunch together.

On the 22nd September we will launch our Growth Action Plan (GAP) for the forthcoming year.

Midweek meetings

These will vary throughout the month, between Central meetings and Homegroups. Please speak to Roger if you would like to join a Homegroup.

Other matters

Please continue to pray for the sale of the building and the renting out of the Manse. Please pray for the leadership and membership of Life in Christ International who are very keen on buying the Baptist Church building as they seek funding for the purchase; also for the final bits of work that need to be done on the Manse and in the garden so that we can rent it out on a longer-term basis through a letting agent.

The Anglican Deanery of Greater Northampton are having a consultation about the future and possible pastoral reorganisation between churches. We along with other churches have submitted our thoughts about this and contributed to the Deanery Plan.

**** *Special events* ****

We are organising another Litter Pick on Saturday 14th September and inviting others from the community to join us. Meet at Here 4 You for a 10am start. We have some implements, but bring your own if you can.
